Medicare Prescription Drug Coverage

Important Dates for People with Medicare during 2005 and 2006

MAY 2005

- Social Security Administration (SSA) begins mailing out and accepting applications for those who need extra help (low income subsidy) and begins holding local events in communities across the country.
- Medicare will mail letters to people who are automatically eligible for extra help with drug plan costs.

JUNE 2005

- Local community events continue through December.

JULY 2005

- *"Your Guide to Medicare Prescription Drug Plans" is available by calling 1-800-MEDICARE or by visiting www.medicare.gov.*
- SSA begins processing applications. Help is available at 1-800-772-1213 or www.socialsecurity.gov.

AUGUST 2005

SSA begins sending letters informing those who applied for extra help whether they qualify.

SEPTEMBER 2005

- Medigap (supplemental) insurance companies send notices to policyholders with drug coverage informing them of their options.

OCTOBER 2005

- Comparative information about Medicare prescription drug plans will be available at www.medicare.gov or 1-800-MEDICARE.
- *Medicare & You 2006 Handbook* containing all the necessary information is mailed to all Medicare households.
- Employers/unions who provide prescription drug coverage to their retirees will directly notify them about their new prescription drug choices.
- Medicare will mail a letter to all people with both Medicare and Medicaid about how they will be automatically enrolled in a drug plan.

NOVEMBER 2005

- Enrollment for the Medicare prescription drug plan begins November 15. People must call the company offering the plan to enroll or enroll through 1-800-MEDICARE.

DECEMBER 2005

People should enroll in a Medicare prescription drug plan now to pay lower premiums and to receive prescription drug coverage when it begins January 1, 2006.

Enrollment Begins November 15, 2005

JANUARY 2006

- Medicare prescription drug coverage begins January 1 for those who enrolled in a plan by December 31, 2005.
- Medicare begins to provide prescription drug coverage for those who have Medicare and full Medicaid coverage.

FEBRUARY 2006

*Enrollment continues.
Medicare prescription drug coverage
begins in the following month.*

MARCH 2006

APRIL–MAY 2006

- Medicare will send a reminder to those who have not enrolled in a Medicare prescription drug plan.
- May 15 is the last day to enroll in a Medicare prescription drug plan and pay lower premiums.
- Facilitated enrollment of those who qualify for extra help and have not yet chosen a plan; plan effective June 1.

**Online qualifier tools available at www.medicare.gov and www.socialsecurity.gov allow people to determine whether they may be eligible to receive extra help before they apply. Online applications for extra help is available July 1 on the Social Security Web site.* People can call 1-800-Medicare (1-800-633-4227) to find out about local State Health Insurance Assistance Programs.*
